As with all AdeptiCon events, prizes and exclusive items will be in abundance and available to attendees. More news on this front to follow!

EVENT RULES

- Players will play 3 two-hour games. Once “Time’s up” is announced, the current turn will be completed.
- Armies will consist of 1000 points or less
- *Bolt Action* rules for each game will be as the most recent FAQ/Errata (available on the Warlord Games’ Forum).

- An army is limited to a maximum of 12 units per game.
- A separate printed list is required for the judges, due at check in of the event, and each of your opponents (minimum of 6 copies required).
- Each player must bring a rulebook, the most current published rules for their army and all materials needed to play a game/report the results - including dice, measuring devices, templates, and a writing implement.

CONDUCT

Events at AdeptiCon is first and foremost a casual affair that promotes camaraderie, gentlemanly behavior, meeting new hobby enthusiasts and most of all fun! While there is certainly a competitive aspect

to this event, winning games should never take priority over good sportsmanship and civilized behavior. In the end, it is all about grown-ups playing with toy soldiers, rolling dice and enjoying it. Don’t forget it! So, if you feel that you are taking the game a bit too seriously, head to the bar, get a drink, count to ten and come back to the gaming table relaxed. We will not tolerate inappropriate behavior and all players are expected to abide by the AdeptiCon Conduct Policy.

The models used in your army must comply with the AdeptiCon Model Policy (all models MUST be WYSIWYG and 3-colors).

If illegal armies or rules violations are detected, at a minimum, the models in violation will be removed from all subsequent play. Tournament points may be deducted and award eligibility may be forfeited.

AdeptiCon *Bolt Action* Tournament Judges’ and Officers’ rulings are final and arguments or poor conduct by players will not be tolerated. AdeptiCon reserves the right to remove players from the tournament or AdeptiCon itself with no refunds allowed.

PAIRING

- For the first round players will be paired randomly.
- After the first round, Swiss-pairing format will be used to determine opponents and pairings will be based on results.
- A results slip will be provided for both players to complete at the end of each game.
- In the event of a tie, players will be matched by Casualty points.
- You will not play the same person twice.

SCORING

- Once a game is finished, victory is determined by objectives held per scenario description.
- If a winner cannot be determined by objectives held, then the winner is the player who destroyed more point enemy points; called Casualty points. If the point difference is less than 51 points; the game was a draw.
- A win is worth three points, a draw is worth two points, and a loss is worth zero points.
- Each player is required to keep track of total Casualty points. The total Casualty points may be used to determine the winner of the tournament,

in the event of a tie. Your opponent should provide the casualty points for each game and you can check their roster to collaborate.

SCENARIOS
