### EVENT DESCRIPTION

*Ravaged warbands who have survived expeditions into the Frozen City are starting to whisper that the Frost Giants have been spotted again. It's been more than a hundred years since the Frost Giants ruled the frozen wasteland outside the ruins of the Felstad. No one knows what drove the giants away but their return threatens everyone who seeks fame and fortune in the Frozen City. Can you forge alliances with rival wizards to drive the giants back deeper into the frozen wasteland?*

Players will bring an experienced Warband to play in this semi-cooperative big game event and try to defeat the Frost Giants while trying to claim the treasures of the Frozen City. Special rules for constructing experienced warbands and the overall warband size will be limited to 7 total models to help keep game play more efficient.

LAST UPDATE: 01.10.2017

- The remaining 7 (to 10 if additional spells are not chosen) can be used to increase your base stats, health, or casting level as per the main rules manual.
- No single upgrade can be used more than 4 times.
- Your Roster should clearly note which 10 upgrades were used. Remember to mark the appropriate upgrades to your Apprentice as well.
- All players should bring a roster to help track your Warband Progress including wounds, deaths (yours and your opponents!), and treasure collected!

### SPECIAL BIG GAME RULES

Since this is a stand-alone (non-campaign) game, there are a few deviations from the Frostgrave rules players will want to be familiar with.

- You will be given the opportunity to cast a single “Out of Game” spell prior to the start of the game (assuming your wizard knows an Out of Game spell and would like to cast it!) This spell can be used to increase the number of soldiers in your warband if appropriate.
- During the game, treasure will be immediately collected (using an action) and will not need to be “carried” per the main rules. All treasure found will be held in a collective inventory for the warband and will not count against slots for holding items.
- There will be plenty of in-game options to heal and potentially resurrect Wizards, Apprentices, and Soldiers.
- Experience will not be recorded during the game but we will track Treasure collected and models killed as well as some other event specific actions.

### BASIC RULES

- All players are expected to abide by the [AdeptiCon Conduct Policy](#).
- The models used in your army must comply with the [AdeptiCon Model Policy](#).
- Please use the feedback form on the [AdeptiCon 2018 website](#) to ask any questions you or your club may have in advance!
- AdeptiCon Tournament Judges' and Officers' rulings are final and arguments or poor conduct by players will not be tolerated. AdeptiCon reserves the right to remove players from the event or AdeptiCon itself with no refunds allowed.
