## EVENT DESCRIPTION

Come explore the Lost Isles of the Ghost Archipelago in this 'Play and Build' event with the game's author - Joseph A. McCullough. Players should bring a painted model appropriate to be used as a Heritor (just about any fantasy model, really). Joe will walk you through the mechanics of building a Heritor and the basics of game play. The players will then use their Heritor model in a semi-cooperative game facing off against Joe himself! After the game ends, all participating players will be able to explore building a Crew using sprues from the official Plastic Box Ghost Archipelago Crewman Set.

## WHAT YOU WILL NEED

- Dice (a single d20) and measuring tools.
- A painted model to represent a Heritor (Really any 28mm Fantasy miniature will do!)
- Everything else you need will be provided

## BASIC RULES

- All players are expected to abide by the [AdeptiCon Conduct Policy](#).
- The models used in your army must comply with the [AdeptiCon Model Policy](#).
- Please use the feedback form on the [AdeptiCon 2018 website](#) to ask any questions you or your club may have in advance!
- AdeptiCon Tournament Judges' and Officers' rulings are final and arguments or poor conduct by players will not be tolerated. AdeptiCon reserves the right to remove players from the event or AdeptiCon itself with no refunds allowed.
