ADEPTICON PRESENTS: DOUBLES

AdeptiCon reserves the right to modify, update, clarify, or change event rules in the interest of making AdeptiCon the best event possible. No fundamental rules changes will be made to the event after 03.01.2026.

EVENT SUMMARY

AdeptiCon Presents: Doubles is a variant game mode where 2 players build separate 500-point armies and compete together against other teams of 2.

Team Event: This Team Event requires two players to form a single team. Only the Team Captain is required to purchase this event ticket. The team registration fee covers all players on a team. All team members are required to purchase an AdeptiCon Badge.

All players are expected to abide by the [AdeptiCon Conduct Policy](#). The models used in your army must comply with the [AdeptiCon Model Policy](#) (all models MUST be WYSIWYG and 3-colors). Customizable Commanders and Operatives are WYSIWYG when it comes to the weapon with which they are modeled. Heavy Weapons and personnel in squads also fit this requirement. AdeptiCon Tournament Judges' and Officers' rulings are final and arguments or poor conduct by players will not be tolerated. AdeptiCon reserves the right to remove players from the event or AdeptiCon itself with no refunds allowed.

EVENT DETAILS

Thursday, March 26th

AdeptiCon Presents: Doubles is open to all players that have purchased a ticket and will follow the **Grand Tournament format**. Players will play 3 rounds of Swiss.

Players in the Doubles will receive 40 tickets to spend at the AMG Prizewall. In addition, players can earn 1 Golden ticket per round per Win.

The event will be run on [Longshanks](#), and lists must be submitted by Friday, March 20th.

FORMAT

For AdeptiCon Presents: Doubles, each player must follow all army-building rules and tournament rules as stated in the [Star Wars™: Legion Core Rulebook](#), and the [Star Wars™: Legion Galactic Conquest Document](#).

Players will follow the [Star Wars™: Legion Recon Rulebook](#) for list-building, with an additional requirement. For the purposes of Unique and Limited cards, both lists are considered a single list. Additionally, Darth Vader and Anakin Skywalker are considered as the same unit and therefore cannot be taken together. Both players will bring Objectives and Secondary Objectives, then pick 3 of each to use as a team. Advantages will be the Dangerous Environments.

Rounds will also be extended to 3 hours.

Each round both players on a team will play a command card, priority is determined by adding up the pips on both teams, and you alternate activations between teams, when it is your team's turn you choose to pull from either player's bag or a face-up.

If a game has not concluded when the time for a round is called, the Head Consular will start a new round timer for 15 minutes. If the 15-minute time expires before this game has concluded by the end of game procedures, it immediately ends and the players calculate their scores.
